

# The making of Atmospheric Landscape Photography

A talk by local outdoor photographer, Andy Page

Specialising in capturing naturally dramatic, compelling and atmospheric landscape photographs from viewpoints across the UK, Andy will be presenting a show of his more recent work, discussing how and where he makes them.

## **Bidford Community Library**

30th November 2017 at 7:30pm

Tickets £2.00 available from the library

A selection of prints and display of works will be available for purchase on the evening
