+BIDFORD ON AVON PARISH COUNCIL In the County of Warwickshire

Item 10 i) AMENITIES WG REPORT AND RESOLUTIONS

**Present: Cllrs Harvey, Hiscocks and Mrs Keeley
In attendance : Mrs E Uggerløse**

At the previous meeting in June, the following item was considered:

Bidford Juniors FC – sponsorship

The 2 year sponsorship has ended and they are asking if the Parish Council will continue sponsoring the club. Costs for a further 2 years are as follows:

i.	U12	£800
ii.	U10	700
iii.	U16	800
iv.	U9	700
v.	U7	<u>700</u>

TOTAL £3,700

The Amenities WG believe it is good thing to continue sponsoring one of the village's best run sport groups but to reduce the number of teams it sponsors to the U12 and U10 at a cost of £1,500 for a 2 year period

RECOMMENDATION to agree to sponsor the U12 and U10 teams for a further 2 years at a cost of £1,500. If this is approved, the cheque to be raised and signed at this meeting.

Meeting took place on 24th July 2018 @ 4.00 pm

 Total cost: £7,555
 Donations received to date : £611
 Net cost £6,944
Grant requested: £1,000
Recommendation to award the full amount requested of £1,000

2. Bus Stop

Members of Bidford Community Group have approached me regarding the position of the current bus stop by the Bulls Head. Many of the users are elderly and frail, in mobility scooters or Zimmers and find it very difficult to access the bus from the pavement, having to go through parked cars etc. You may recall that Cllr Brain mentioned this at the last meeting.

The Passenger Transport Dept., has visited the site and looked at possibilities. Regrettably, the proposal put forward by the group, that it be re sited by the War Memorial (where there is plenty of spaces for them) is not feasible as WCC feel it will create a traffic back up.

WCC's suggestion is to lose on of the echelon parking bays and install what is known as a build-out which is where the path would be extended forward within the confines of the bay to provide a visible stopping lace for the bus. The cost for this would be approx. £6k. they don't have the funds for this so it would have to come out either from Cllr brain's Members Delegated Funds and/or Parish Council funds.

An alternative to the above would be to just paint over one of the bays and place a bus stop pole at the end to identify it – however, I think this would be less safe bearing in mind it is being provided for vulnerable elderly residents.

It was agreed that this bus stop is very poorly set out and, as it is used by a large number of vulnerable and elderly people it was proposed to support a build-out using not one but two parking spaces as one space would not be sufficient.

RECOMMENDATION that Council support this and request a final and definite quotation from WCC for a final decision to be made.

In the County of Warwickshire

Item 10 ii) BUSINESS DEVELOPMENT WG REPORT AND RESOLUTIONS

Present: Cllrs Pound, Atkins and Mrs Taylor, Elisabeth Uggerloese – Parish Clerk

1. **Chairman:** It was proposed and agreed that Cllr Penny Taylor would continue as chairman.
2. **Bidford Community Interest Company.** Four volunteers have come forward to be directors: two business owners from the Waterloo Road industrial estate, one high street business owner and one active resident. It was agreed that the four would be invited to a meeting with Kate Launchbury of Coventry & Warwickshire Co-operative Development Agency (CDA) who can explain the purpose, principles and responsibilities of the CIC. It is recommended that the 5th and final director is a member of the Parish Council.
Propose: That a Parish Council member or the Clerk is chosen to be a founder director of the Bidford CIC.
3. **High Street survey** final report from People & Places is attached as part of this report. This is a summary:

Background:

Bidford Parish Council commissioned People & Places to carry out a survey of residents, visitors and businesses for their views on the future of the British Legion property near the High Street. People & Places are independent and have no vested interest in the outcome of the survey.

The study gave residents and local businesses an opportunity to have a voice in the future of a prominent site at the entrance to the village centre which is currently an eyesore.

Residents and village centre users were informed of the survey in several ways:

- Weekly Parish Council Information email
- Connection magazine
- Bidford Parish Council Facebook site
- Article in Stratford Herald
- Minutes of Parish Council meetings

277 resident & village centre users chose to respond to the survey (which People & Places say is average for a village of our size).

52 businesses responded (which is “exceptional”).

Results:

- ❖ **62%** of Resident/ Village Centre Users and **68%** of Business respondents indicated that if some commercial space were to become available in Bidford-on-Avon they would like to see ‘Units suitable for Food and Drink Sales and Consumption e.g. Café. Qualitative feedback from the Residents/ Town Centre Users augmented the statistical data with ‘Café’ and ‘Coffee Shops’ being cited as uses for commercial space.
- ❖ Focus Group feedback highlighted the importance of a Café/Coffee Shop to local residents, village centre users, local businesses, homeworkers and the potential tourist market.
- ❖ **90%** of Residents of Bidford-on-Avon reported that in principle, they would support the use of some of the existing Parish funds if that was necessary to enable their favoured development.

Retail Space

- ❖ **53%** of Residents/ Town Centre Users reported that if commercial space were to become available in the village centre they would like to see ‘Units suitable for Retail e.g. clothes shop.

Businesses future plans

- ❖ **79%** of Businesses did not have any future plans to change their business premises.
- ❖ **73%** of Businesses indicated that if commercial space were to become available in the village centre they would not be interested in new premises.

From further questions to People & Places: businesses that would be interested in moving premises were as follows:

2 to the village centre

4 to the outskirts of the village

2 outside Bidford

Recommendation to note the findings and utilize them when making decisions

4. **Royal British Legion site:** The Clerk and Cllr Penny Taylor held a meeting with the surveyor from Johnson Fellowes (the selling agent for the British Legion) along with the Stratford Planning officer. Johnson Fellowes are applying for outline planning permission for a mixed use development of retail units and flats. The outline plan will be available for Parish Councillors to see at the Parish Council meeting, but is not being made public as it is not yet a formal application document. Recommendation: to note, and to support a mixed use application when it comes in as it is in line with the NDP's expressed goal of retaining commercial premises in the High Street area.

In the meantime, we have been in contact with a developer who has been to visit the site and who is interested in the proposed retail/residential mix.

Recommendation: to note developments

5. **Draft letter to Lloyd's bank.** This was circulated and discussed and further amendments are being made before presentation to the Parish Council.

Recommendation: to note

6. **Advertising A Boards**

As requested by the Parish Council at the last meeting, the WG considered the issue of advertising A boards and similar and is looking at the feasibility and cost of installing digital screen by the traffic lights. This will give business the opportunity to advertise and the Parish Council a further platform to advertise its events and other important notices.

Recommendation: to note

7. **Bidford Banners.** There has been excitement in the village as the banners have gone up. Through social media additional hirers quickly emerged and there are now 9 banners and brackets installed. It is always hard for a project like this to get initial results and the Bidford Banner Group of volunteers is to be congratulated on their enthusiasm and energy, and in particular the quality of the artwork, which has had a direct impact on the success of this first season. A big thank you too to the businesses who have snapped up the first set of banners. The Bidford Banner Group is stopping for the summer after the 27th July meeting and returning on October 5th.

The accounts for expenditure so far have been submitted and come to just under the total of £2,000 that the Parish Council agreed to commit to start the project. The group now has its own budget from their grant of £750 from County & District Cllr Mike Brain and an income stream starting from the supply of brackets, poles and banners.

Propose: That the £2,000 is acknowledged as a start-up contribution by the Parish Council and the Bidford Banner Group are formally thanked for their excellent work in enhancing the High Street.

Approach

At present the British Legion Building in the village centre is vacant and up for auction. Bidford-on-Avon Parish Council have been speaking to developers about potential options for the site which would be beneficial to the village centre and wider economy. Options discussed include a mixed retail/ business use. It is important to the Parish Council to understand what local stakeholders would like to see developed on the site and equally as important whether or not they would use the development.

People and Places Insight Limited recommended the following layered approach;

- ❖ **Business Surveys:** A short survey to ascertain the views of local Businesses. The cohort included Village Centre based traders, Industrial Estate based traders and the ever growing, and increasingly important to the local economy Business owners who operate from home. Surveys were hand delivered to Village Centre Businesses, posted to Industrial Estate Businesses and hosted online for Home-Based Businesses to complete. Questions in the Survey included options for the development of the British Legion Building and potential levels of use.
- ❖ **Residents Survey:** A short survey to ascertain the views of Residents. To ensure there is the opportunity for all Residents to complete the survey a range of completion options was made available. An online version was hosted on local websites and advertised in local publications and newsletters. Augmenting the online version 100 face to face interviews were conducted with a random sample of village centre users. Questions in the Survey included options for the development of the British Legion Building and potential levels of use.
- ❖ **Focus Groups;** Following the survey elements of the research Businesses and Residents were invited to participate in Focus Groups/ Qualitative to discuss the future use of the British Legions Building based on the research findings. The Focus Group/ Qualitative questions were built upon the quantitative research data in order to gain rich qualitative feedback on development options and potential use.

The following paper incorporates a robust primary sample of both Business respondents and Residents/ Village Centre Users views about the potential new development.

Executive Summary

Café/ Coffee Shop Wanted

- ❖ 62% of Resident/ Village Centre Users and 68% of Business respondents indicated that if some commercial space were to become available in Bidford-on-Avon they would like to see 'Units suitable for Food and Drink Sales and Consumption e.g. Café. Qualitative feedback from the Residents/ Town Centre Users augmented the statistical data with 'Café' and 'Coffee Shops' being cited as uses for commercial space.
- ❖ 90% of Residents of Bidford-on-Avon reported that in principle, they would support the use of some of the existing Parish funds if that was necessary to enable their favoured development.

Retail Space

- ❖ 53% of Residents/ Town Centre Users reported that if commercial space were to become available in the village centre they would like to see 'Units suitable for Retail e.g. clothes shop.

Businesses Not Planning to Move

- ❖ 79% of Businesses did not have any future plans to change their business premises.
- ❖ Nearly three quarters (73%) of Businesses indicated that if commercial space were to become available in the village centre they would not be interested in new premises.

Residents Survey Results

The following results are based on the 277 completed Resident/ Town Centre User Surveys. The results are presented as in line with the structure of the survey.

If some commercial space were to become available in the village centre, which TWO of the following options would you like see for the benefit of Bidford-on-Avon? (Please tick two options only)

	%
Office space (non-shared)	2
Office space (shared)	10
Units suitable for Retail e.g. clothes shop	51
Units suitable for Food and Drink Sales and Consumption E.g. Cafe	62
Units for community use e.g. Meeting space	27
Units for Service Providers e.g. Pre School Nursery, Local Authority Services	42
Units suitable for light industry	5

62% of Resident/ Village Centre Users indicated that if some commercial space were to become available in Bidford-on-Avon they would like to see ‘Units suitable for Food and Drink Sales and Consumption e.g. Café, with 51% ‘Units suitable for Retail e.g. clothes shop. 42% of respondents stated they would like to see ‘Units for Service Providers e.g. Pre School Nursery, Local Authority Services.

Please use the space provided to give details on the type of businesses you would like to see attracted to the village centre?

Substantiating the quantitative findings, the key theme to emerge when Residents/ Village Centre Users were asked to give details on the type of businesses they would like to see attracted, ‘Café’ was the key theme, comments included:

*Please note that all comments are copied verbatim and may include grammatical errors

- ❖ *The village needs a cafe or eatery with parking, alternatively retail unit of a useful size. We have no reasonable sized units in the village to attract a retail type business. If a much needed eatery or cafe type business could be attracted they should be given the opportunity to have a offshoot in the Meadow as an incentive.*
- ❖ *It would be nice for Bidford to have more support from their residents and I feel more retail and cafe shops may encourage this*
- ❖ *It must be independent but affordable. Diverse and a good standard of food offering. There is a lot of room for improvement with the standard of food served at the take away with exception of fish & chips. Lower pricing attracts more custom which attracts footfall. A cafe that is open!! And serves a good brunch (offering veggie options & gluten free etc) and decent coffee. Perhaps*

with mum and baby meets in the daytime to maximise trade. We would love to be able to buy fresh croissants first thing on a Saturday or Sunday!!

- ❖ *Delicatessen Cafe*
- ❖ *Cafes /delicatessens of a high standard such as those found in Stratford and Alcester*
- ❖ *The village is lacking an attractive go to cafe. One that would welcome a variety of customers, including locals, offering good quality coffee and snacks.*
- ❖ *A social space, cafe for example, where families and friends can meet in the day time.*
- ❖ *Good sized cafe for young families, local workers, walkers, cyclists and other visitors.*
- ❖ *The village needs a decent coffee shop/ cafe which would attract both locals and visitors.*
- ❖ *A more contemporary cafe serving a variety of foods/drinks.*
- ❖ *Locally sourced healthy cafe / restaurant*
- ❖ *cafe open for visitors for light lunches etc.*
- ❖ *Cafe and more retail eg clothes or homeware*
- ❖ *Restaurants and cafes*

A sub section of those Residents/ Village Centre Users who wanted to see a 'Café' in Bidford-on-Avon Village Centre stated 'Coffee Shop':

- ❖ *I would love a coffee shop that was open after school to allow me to take my son for a treat at the end of the day and also a place I could meet friends during the week. The bakery has limited space and restrictions on opening times which means we currently either travel to Alcester or to Osco's but would much prefer somewhere we could walk to rather than having to use the car*
- ❖ *I would love to see a coffee shop /farm shop business using locally sourced food a reasonably priced up to date menu somewhere families can walk to sit outside meet up with friends for coffee and buy local produce. A meeting place with a local food theme*
- ❖ *Somewhere for local parents to meet for a coffee with a space for children to play*
- ❖ *A proper coffee shop /upmarket café along the lines of Orange Mabel Tea Rooms in Alcester, open all day to serve breakfast as well lunch and afternoon teas.*

The other key theme to emerge from the qualitative feedback was that Residents/ Village Centre Users would like to see 'Retail' attracted to the Village Centre, comments included:

- ❖ *retail unit of a useful size. We have no reasonable sized units in the village to attract a retail type business.*
- ❖ *Retail outlets such as clothing, homewares and furnishings (but not hair and beauty outlets, health facilities e.g. dentists, therapies).*
- ❖ *Quality retail &/or leisure type premise to attract visitors to the village centre.*
- ❖ *retail shops, book shop, haberdashery, green grocer, antique centre*
- ❖ *Specialist non-food retailers e.g. for country sports, cycling, walking, river sports, antiques*
- ❖ *Small retail units for shops such as clothing or handmade crafts, or delicatessen etc.*
- ❖ *Nursery; mother and child facilities. Domestic retail - e.g. food shops, hardware.*
- ❖ *more retail egg clothes or homeware*

Within the 'Retail' theme several comments specifically cited 'Green Grocer', examples include:

- ❖ *Green Grocer*
- ❖ *first choice: green grocer - we have a wonderful butcher and bakery and we get our milk delivered by the milkman but always find we have to go to budgens or one stop for a few bits and pieces but have to do out main shop elsewhere e.g. Stratford or Evesham. I think a green grocer would benefit everyone, helps the local economy and businesses and means people eat fresh and buy local.*

'Clothes Shop' was also mentioned, comments included:

- ❖ *Clothes shop Sports shop /school uniform*
- ❖ *A boutique style clothes shop*
- ❖ *clothes shop, somewhere tourists would want to visit.*
- ❖ *Independent clothes shop*
- ❖ *Cheap shoe, clothes, shop*
- ❖ *Small retail units for shops such as clothing*
- ❖ *Clothes shops/boutiques*

Units suitable for Retail e.g. clothes shop	35
Units suitable for Food and Drink Sales and Consumption e.g. Cafe	68
Units for community use e.g. Meeting space	32
Units for Service Providers e.g. Pre School Nursery, Local Authority Services	55
Units suitable for light industry	15

Over two-thirds (68%) of Businesses reported that if some commercial space were to become available in the village centre, for the wider benefit of Bidford-on-Avon, they would these units to be ‘Suitable for Food and Drink Sales and Consumption e.g. Café’. 55% of Businesses stated units for ‘Service Providers e.g. Pre-Nursery School, Local Authority Services’, 35% ‘Units suitable for Retail e.g. clothes shop’ and 32% ‘Units for community use e.g. Meeting space’.

Please use the space provided to give details on the type of businesses you would like to see attracted to the village centre?

‘Café/ Coffee Shop’ was the key theme to emerge, comments included:

- ❖ *Modern quick food and or cafe. Family friendly dining.*
- ❖ *We need a nice cafe for people to meet, meetings to take place and for visitors to get a drink and cake*
- ❖ *Good café*
- ❖ *Coffee shop*

BIDFORD ON AVON PARISH COUNCIL

In the County of Warwickshire

Item 12 : TO CONSIDER PARKING ON FOOTPATHS (PAVEMENTS) AND GRASS VERGES

This has been a long standing issue, especially in areas where parking on the footpath does not allow parents with pushchairs or people in wheel chairs/mobility scooters, to use the footpath safely

At the request of Cllr Harvey (then Chairman of the Council) I took this up with the Police (Chief Police constable) and with County Highways and, regrettably, currently there is nothing that can be done.

I am aware that London has a bye law for this but theirs is a separate circumstance which has much to do with London being under the May of London with quite a lot of executive powers.

Regarding the grass verges, by parking on them, especially in the winter and during wet weather, motorists are damaging the turf and, during the mowing season, they are making it difficult to carry out this duty.

I believe Parliament has recognized the problem and is considering giving local authorities some powers to deal with this ever increasing problem. In the meantime, all I can recommend, is a concerted campaign to try and persuade our local community to be more considerate of their fellow residents and perhaps contact our MP, Nadhim Zahawi to obtain his active support for this legislation.
