

BIDFORD-ON-AVON FLOOD ACTION GROUP

*As part of the Warwickshire Community Flood Resilience Pathfinder project,
Bidford-on-Avon now has its very own Flood Action Group!*

WHAT IS THE BIDFORD-ON-AVON FLOOD ACTION GROUP?

We are a group of Bidford residents formed with the support of the National Flood Forum, to work alongside agencies to help reduce Bidford's risk of flooding.

WHAT WILL THE FLOOD ACTION GROUP DO?

Our first task is to create a list of ALL issues concerning flood risk in Bidford. These issues will then be raised in a meeting, organised by the National Flood Forum, between the Flood Action Group and representatives from all agencies involved in Bidford's flood risk. To ensure a sustainable working partnership between Bidford-on-Avon Flood Action Group and the agencies, these meetings will be held on a regular basis to allow updates from issues raised in previous meetings and for the chance to raise any additional issues that may have arisen.

WHAT CAN YOU DO?

We urge that if you have any issues or suggested solutions to problems related to flooding in Bidford to email them to: bidfordflood@gmail.com

Supporting and representing flood risk communities
