Dear Mrs Shaddick

Thank you very much indeed for the donation of £667.45 that was raised at the Lecture held in memory of Felicity, I have also separately thanked Mr and Mrs Davis for their £20 donation, this was a wonderful amount to have raised. Felicity is still remembered and much missed by all the people at the Hospice who knew her as a much loved volunteer.

This gift will be put to immediate and wise use to help our specialist team improve quality of life for our patients, as well as bringing respite and support to families and carers, who can suffer enormously as a result of looking after a loved one who is dying. As The Shakespeare Hospice relies almost entirely upon voluntary giving, your continued support is hugely appreciated and will make a real difference to those we are able to care for in the months ahead.

Once again, many thanks for your very kind support and please thank all those involved in the evening.

Yours sincerely
