### 5. TO CONSIDER THE BUDGET/PRECEPT

The Council had been sent

- **Budget Spreadsheet** – showing the 2016/17 expenditure and the proposed Budget for 2017/18
  - A question was raised regarding General Maintenance. The budgeted amount for 2016/17 was £10k but the expected expenditure for the end of the financial year was £19.9k. What was the reason for this? And why was the budgeted amount for 2017/18 still £10k.  
Figures were not immediately available so it was **RESOLVED** the RFO would look into it and report at the next Parish Council Meeting
  - Another issue raised was the allocation for War Memorials – this was £1,320 and though nothing has been spent, the expected expenditure remained £1,320.  
The RFO explained that, as the amount had been allocated, it would remain there until the end of the financial year.
  - Clarification was requested in respect of Village Improvements, in view of the new Strategic Working Groups  
It was explained that this covered street furniture such as benches, bins etc. considered outside any strategic expenditure

- **Budget/Precept**

Two options had been prepared:

- Band D – 0% increase (£107.36) which would raise a Precept of £239,385.
- Band D – 2% increase (£109.51) which would raise a Precept of £243,996

The difference in the amount raised for the Precept would be £4,611. In view of the recommendation was for Council to approve a 0% increase.

The Chairman proposed Council consider this option and it was

unanimously **RESOLVED** to approve a Precept of £239,385.00, with a 0% increase in the rate payable, for the financial year 2017/18 and that this be recommended to Council for its approval at the Parish council meeting of 23<sup>rd</sup> January 2017.

- **Budget/Precept**

The RFO and DCK Beavers had gone through the budget line by line, and had calculated the expenditure for 2016/17 as shown on the options being proposed.

Council considered the options and unanimously **RESOLVED** to recommend the option where the unit cost remains unchanged delivering a Precept of £216,424 with the expected surplus being added to the Rolling Capital/Project Fund.

The meeting closed at approx. 7.55 pm
