5. TO CONSIDER ADOPTING THE FOOTPATH/EMERGENCY ROAD FROM WATERLOO ROAD TO DAMSON WAY – map of area enclosed

The Clerk advised that the standard of this road was not to County Council Highways standard and, therefore, would not be adopted. Council has adopted a similar footpath on the Russet Way development and the recommendation was that Council adopt this subject to a suitable commuted sum.

Two concerns were raised:

- i. Encroachment of dwellings back gardens onto the footpath – this can be avoided by regular inspections
- ii. Maintenance of the hedge: will the hedge be part of the footpath or the household boundary? If it were to be maintained by the Parish Council, would it be possible to ensure it is a type that is easy to do so.

RESOLVED to adopt the footpath subject to a suitable commuted sum. The Clerk to look into the possibility of the hedge type being recommended by the Council's contractors to ensure easy maintenance.
