BE AWARE

Inspector Ayers attended the Studley Parish Council meeting and was happy to report a 15% reduction in Anti Social behaviour incidents for the same period year to date than last year. There is further work planned to combat the run-up to Halloween and Bonfire Night, to include enhanced visible police presence over half-term school holidays. The schools have agreed to send letters home to parents to help monitor what youths are taking out with them, e.g. eggs for throwing etc. If they are found with, these will be taken off them.

The Trading Standards Office have advised of the following scam. A card is posted through your door from a company called PDS (parcel delivery service) suggesting that they were unable to deliver a parcel and that you need to contact them on 0906 6611911 (a premium rate number). DO NOT CALL THIS NUMBER as this is a mail scam originating from Belize. If you call this number and you start to hear a recorded message you will already have been billed for £15 for the phone call. If you do receive a card with these details, please contact Royal Mail Fraud on 0207 239 6655 or ICTIS (the premium rate service regulator) at [http: www.icstis.org.co.uk](http://www.icstis.org.co.uk) or your local Trading Standards Office. THIS IS A GENUINE SCAM.

If you have any information or have witnessed the above incidents, please can you contact Alcester Police on 01789 762207. Thank you. **Please note Alcester Police station is temporarily based at the former Alcester Infant School, Moorfield Road, Alcester (towards Somerfield).**

All to note a Public Service Desk at Headquarters is now operational. The Public Service Desk (PSD) is designed to put Police Officers back in the control room, thus enabling a better service delivery to members of the public wishing to speak to a Police Officer on any matter which does not necessarily need Police deployment. Anybody wishing to speak to the Police about any issue that does not require a Police Officer to attend can do so via this Desk. Contacting any of the Police station telephone numbers will direct you to the switchboard where you can then ask for the Public Service Desk.

We are often asked the best way to report an incident or to make contact with a Police officer. Should a member of the public witness or be affected by a crime whereby there is a threat of injury, injury or damage or theft of property and the incident is ongoing and offenders are still at the scene, they should ring 999, classed as an emergency or an immediate response incident.

Should the incident have already occurred and is not ongoing, for example waking up and find your car has been broken into, you should ring one of the normal Police station numbers and ask to report a crime or an incident. You will be put through to the force control room or the crime desk. Please ask for an 'incident number' – you should be given one. If a crime has been committed against you, you will be given a crime reference number by the crime desk or by the officer who attends the incident. Such incidents are 'managed' and you should be given an indication of when an officer can attend.

If you wish to speak to an officer about a non-urgent matter, please use the list of contacts, which are always included in our newsletters.

Hopefully the Public Help Desk will help members of the public when they wish to speak to the Police.

If you did have information regarding the displayed incidents, but for whatever reason do not wish to contact the police directly, then you can ring 0800 555 111 and give the information to the Crimestoppers Charity. Crimestoppers will then pass the information to the Police without revealing any details of the caller. You may also receive a reward.
