Cllr Ms Deacon proposed the Minutes be accepted as being accurate

RESOLVED: that the Minutes be accepted as an accurate account, and signed by the Chairman.

4. YOUTH FORUM

A young resident requested Council to consider refurbishing the play area on Jubilee Close. He agreed that the process for upgrading Marleigh Park, which was via a consultation with parents and young people, would be a good idea.

5. PUBLIC FORUM

- i.** Resident raised concerns about irresponsible fishermen who are leaving their tackle in the river causing great damage to the wild life, especially swans and cygnets. In one instance a swan had swallowed a whole line which had to be gently pulled out – one cygnet was rescued but could not be reintroduced in the same place after it had been taken away.
Clerk advised this was a criminal offence and the Police should be contacted
- ii.** Incident of possible cocaine snorting on a picnic table on the Big Meadow – lady called the Police who, 3 hours later, had still not turned up
- iii.** Resident thanked the Parish Council for listening to her request and placing the dog bin on St Laurence in the shade away from dwelling – much appreciated.
- iv.** Applicant for the Bright Star Nursery showed council a model of the proposed building and explained that
 - a.** Midwife had already expressed interest in using the community facilities as had a physiotherapist
 - b.** They would be offering a “wrap around” service and will cater on demand

6. COUNCILLOR FORUM

- i.** **Outdoor Gym equipment** it appeared to be loose. The Clerk advised she had been made aware of it, tape had been put around the equipment and the installer had been advised. They had replied that they would have to await wetter weather before attempting to carryout repairs to ensure it was successful.
- ii.** Thanks to Mark for having completed the fence replacement at Kings Lane, Broom and it was noted he had started the work at the Big Meadow.

7. TO RECEIVE REPORT FROM COUNTY COUNCILLOR

This was made by Cllr Cargill as Cllr Brain was unable to attend

8. TO RECEIVE REPORT FROM DISTRICT COUNCILLORS

Points i to v refer to County Council

- i.** **County Councillor Grant** a reminder that this was still available until end of August. Amount increased from £5,000 to £6,000.

- ii. **Adult Social Care** presentation by the Fire and Rescue Service who are branching out and offering a service to return patients from hospital to their homes and then carry out a risk assessment
- iii. **Pathways** – this is the amalgamation of various departments dealing with substance abuse which often results in offences being carried out to raise money. It is looking at a holistic approach to the problem which is recognised as being a difficult issue.
- iv. **Water** – there has been a loss of pressure in Wixford and Exhall and it would appear some loss within the parish. Severn Trent has increased the pressure slightly and has laid an overland pipe on a temporary basis to be taken underground at a later stage
- v. **Bidford Bridge** – had there been a reduction of HGVs crossing the bridge? The Clerk advised that she had received fewer advices of breaches this year. A resident advised that an articulated lorry, with DEB written on the side, was regularly crossing the bridge in both directions. The Clerk to contact Miller Homes – it appears this articulated lorry is going to and from its development on Waterloo Road.
- vi. **Salford Road** – it would appear there has been a breach of planning on the development to the South of Salford road, regarding a fence/wall to existing dwellings. Both enforcement and the planning officer are looking into this.
- vii. **Wellesbourne Airfield** - SDC is strongly against the development of this business/leisure site which is not included as a site for development within the Core Strategy. If required, it is prepared to make a compulsory purchase of the site to prevent its development.

9. RECEIVE CLERK'S REPORT

Clerk made a short verbal report: at long last electricity has been brought to the Big Meadow with the installation of the meter and its connection to Npower who will be the supplier.

- iii. **Communication & Marketing WG** – Verbal report made by the Chairman of the C&MWG

- a. **British Legion** – As 2018 commemorates the 100 years since the end of WWI it would like this year's event to be bigger than usual and perhaps hold another event as well. They are also hoping for larger numbers in the Parade and are looking for a Bugler to play the Last Post
- b. **Dementia Session** given to the Post Office staff who were very enthusiastic and it is great Bidford-on-Avon now has a Dementia Friendly Post Office

RESOLVED to note the report

12. TO CONSIDER PARKING ON FOOTPATHS (PAVEMENTS) AND GRASSED VERGES (Ref. PC Mins June 2018/Item 5)

A report had been circulated. It was proposed Council work with Bidford Primary School and the Secondary Schools to create some posters that can be used to help deter this type of parking that forces people on to the road.

RESOLVED to approve the proposal

13. TO CONSIDER NAMING 7 NEW STREETS ON THE MILLER HOME DEVELOPMENT OFF WATERLOO ROAD (map circulated)

Council considered giving names of WWI battles, as had been suggested by a local resident. However, although the proposal was understandable due to 2018 commemorating the end of WWI, it was felt that this would not be appropriate and the proposal that the street names continued to be orchard fruits was more acceptable.

RESOLVED to name the streets after local plums as follows:

- i. A – Damson Way
- ii. B – Mirabelle Close
- iii. C – Greengage Close
- iv. D – Valor Drive
- v. E – Prolific Way
- vi. F – Opal Close
- vii. G – Laxton Way

14. TO RECEIVE/CONSIDER WALC JULY NEWSLETTER

This had been circulated and Councillors were requested to raise any issues they thought of particular importance.

No issues were raised and it was **RESOLVED** to note the newsletter

15. TO CONSIDER “COMMEMORATING 100 YEARS” BY PURCHASING AND INSTALLING APPROPRIATE PRODUCTS RANGING FROM SEATING, LITTER BINS, PLANTERS ETC. (report circulated)

It was proposed and **RESOLVED** to approve the purchase and installation in principle: the Amenities WG to consider the proposal in full and report back to Council with its recommendation at the August meeting

i. 18/01783/FUL – Bright Stars Nursery Friday Furlong, Waterloo Road, Bidford-on-Avon

Erection of children’s day nursery with related facilities and community rooms (Use Class d1); formation of car parking and new vehicular access

RESOLVED to support this application on the grounds it:

At the previous meeting in June, the following item was considered:

ii.	U10	700
iii.	U16	800
iv.	U9	700
v.	U7	<u>700</u>

TOTAL £3,700

The Amenities WG believe it is good thing to continue sponsoring one of the village's best run sport groups but to reduce the number of teams it sponsors to the U12 and U10 at a cost of £1,500 for a 2 year period

RECOMMENDATION to agree to sponsor the U12 and U10 teams for a further 2 years at a cost of £1,500. If this is approved, the cheque to be raised and signed at this meeting.

2. Bus Stop

Members of Bidford Community Group have approached me regarding the position of the current bus stop by the Bulls Head. Many of the users are elderly and frail, in mobility scooters or Zimmers and find it very difficult to access the bus from the pavement, having to go through parked cars etc. You may recall that Cllr Brain mentioned this at the last meeting.

The Passenger Transport Dept., has visited the site and looked at possibilities. Regrettably, the proposal put forward by the group, that it be re sited by the War Memorial (where there is plenty of spaces for them) is not feasible as WCC feel it will create a traffic back up.

WCC's suggestion is to lose one of the echelon parking bays and install what is known as a build-out which is where the path would be extended forward within the confines of the bay to provide a visible stopping place for the bus. The cost for this would be approx. £6k. they don't have the funds for this so it would have to come out either from Cllr Brain's Members Delegated Funds and/or Parish

Council funds.

An alternative to the above would be to just paint over one of the bays and place a bus stop pole at the end to identify it – however, I think this would be less safe bearing in mind it is being provided for vulnerable elderly residents.

It was agreed that this bus stop is very poorly set out and, as it is used by a large number of vulnerable and elderly people it was proposed to support a build-out using not one but two parking spaces as one space would not be sufficient.

RECOMMENDATION that Council support this and request a final and definite quotation from WCC for a final decision to be made.

RESOLVED by Council to support this and request further details of costs etc from County Council

Present: Cllrs Pound, Atkins and Mrs Taylor, Elisabeth Uggerloese – Parish Clerk

1. **Chairman:** It was proposed and agreed that Cllr Penny Taylor would continue as chairman.
2. **Bidford Community Interest Company.** Four volunteers have come forward to be directors: two business owners from the Waterloo Road industrial estate, one high street business owner and one active resident. It was agreed that the four would be invited to a meeting with Kate Launchbury of Coventry & Warwickshire Co-operative Development Agency (CDA) who can explain the purpose, principles and responsibilities of the CIC. It is recommended that the 5th and final director is a member of the Parish Council.
Propose: That a Parish Council member or the Clerk is chosen to be a founder director of the Bidford CIC.
Cllr Harvey volunteered to be a Director of the new CIC and it was **RESOLVED** by Council to nominate Cllr Harvey
3. **High Street survey** final report from People & Places is attached as part of this report. This is a summary:

Background:

Bidford Parish Council commissioned People & Places to carry out a survey of residents, visitors and businesses for their views on the future of the British Legion property near the High Street. People & Places are independent and have no vested interest in the outcome of the survey.

The study gave residents and local businesses an opportunity to have a voice in the future of a prominent site at the entrance to the village centre which is

currently an eyesore.

Residents and village centre users were informed of the survey in several ways:

- Weekly Parish Council Information email
- Connection magazine
- Bidford Parish Council Facebook site
- Article in Stratford Herald
- Minutes of Parish Council meetings

277 resident & village centre users chose to respond to the survey (which People & Places say is average for a village of our size).

52 businesses responded (which is “exceptional”).

Results:

- ❖ **62%** of Resident/ Village Centre Users and **68%** of Business respondents indicated that if some commercial space were to become available in Bidford-on-Avon they would like to see ‘Units suitable for Food and Drink Sales and Consumption e.g. Café. Qualitative feedback from the Residents/ Town Centre Users augmented the statistical data with ‘Café’ and ‘Coffee Shops’ being cited as uses for commercial space.
- ❖ Focus Group feedback highlighted the importance of a Café/Coffee Shop to local residents, village centre users, local businesses, homeworkers and the potential tourist market.
- ❖ **90%** of Residents of Bidford-on-Avon reported that in principle, they would support the use of some of the existing Parish funds if that was necessary to enable their favoured development.

Retail Space

- ❖ **53%** of Residents/ Town Centre Users reported that if commercial space were to become available in the village centre they would like to see ‘Units suitable for Retail e.g. clothes shop.

Businesses future plans

- ❖ **79%** of Businesses did not have any future plans to change their business premises.
- ❖ **73%** of Businesses indicated that if commercial space were to become available in the village centre they would not be interested in new premises.

From further questions to People & Places: businesses that would be interested in moving premises were as follows:

- 2 to the village centre
- 4 to the outskirts of the village
- 2 outside Bidford

Recommendation to note the findings and utilize them when making decisions

RESOLVED by council to note the findings

4. **Royal British Legion site:** The Clerk and Cllr Penny Taylor held a meeting with the surveyor from Johnson Fellowes (the selling agent for the British Legion) along with the Stratford Planning officer. Johnson Fellowes are applying for outline planning permission for a mixed use development of retail units and flats. The outline plan will be available for Parish Councillors to see at the Parish Council meeting, but is not being made public as it is not yet a formal application document. Recommendation: to note, and to support a mixed use application when it comes in as it is in line with the NDP's expressed goal of retaining commercial premises in the High Street area.

In the meantime, we have been in contact with a developer who has been to visit the site and who is interested in the proposed retail/residential mix.

Recommendation: to note developments

RESOLVED by Council note developments and to use the information provided by the feasibility study (Point 3) when considering the planning application in due course.

5. **Draft letter to Lloyd's bank.** This was circulated and discussed and further amendments are being made before presentation to the Parish Council.

Recommendation: to note

RESOLVED by Council to note

6. **Advertising A Boards**

As requested by the Parish Council at the last meeting, the WG considered the issue of advertising A boards and similar and is looking at the feasibility and cost of installing digital screen by the traffic lights. This will give business the opportunity to advertise and the Parish Council a further platform to advertise its events and other important notices.

Recommendation: to note

RESOLVED by council to note

7. **Bidford Banners.** There has been excitement in the village as the banners have gone up. Through social media additional hirers quickly emerged and there are now 9 banners and brackets installed. It is always hard for a project like this to get initial results and the Bidford Banner Group of volunteers is to be congratulated on their enthusiasm and energy, and in particular the quality of the artwork, which has had a direct impact on the success of this first season. A big thank you too to the businesses who have snapped up the first set of banners. The Bidford Banner Group is stopping for the summer after the 27th July meeting and returning on October 5th.

The accounts for expenditure so far have been submitted and come to just under the total of £2,000 that the Parish Council agreed to commit to start the project. The group now has its own budget from their grant of £750 from County & District Cllr Mike Brain and an income stream starting from the supply of brackets, poles and banners.

Propose: That the £2,000 is acknowledged as a start-up contribution by the Parish Council and the Bidford Banner Group are formally thanked for their excellent work in enhancing the High Street.

RESOLVED by Council to note the information provided and to congratulate the Bidford banner Group for the excellent work they have carried out and wish them continued success in the future.

Approach

At present the British Legion Building in the village centre is vacant and up for auction. Bidford-on-Avon Parish Council have been speaking to developers about potential options for the site which would be beneficial to the village centre and wider economy. Options discussed include a mixed retail/ business use. It is important to the Parish Council to understand what local stakeholders would like to see developed on the site and equally as important whether or not they would use the development.

People and Places Insight Limited recommended the following layered approach;

- ❖ **Business Surveys:** A short survey to ascertain the views of local Businesses. The cohort included Village Centre based traders, Industrial Estate based traders and the ever growing, and increasingly important to the local economy Business owners who operate from home. Surveys were hand delivered to Village Centre Businesses, posted to Industrial Estate Businesses and hosted online for Home-Based Businesses to complete. Questions in the Survey included options for the development of the British Legion Building and potential levels of use.
- ❖ **Residents Survey:** A short survey to ascertain the views of Residents. To ensure there is the opportunity for all Residents to complete the survey a range of completion options was made available. An online version was hosted on local websites and advertised in local publications and newsletters. Augmenting the online version 100 face to face interviews were conducted with a random sample of village centre users. Questions in the Survey included options for the development of the British Legion Building and potential levels of use.
- ❖ **Focus Groups;** Following the survey elements of the research Businesses and Residents were invited to participate in Focus Groups/ Qualitative to discuss the future use of the British Legions Building based on the research findings. The Focus Group/ Qualitative questions were built upon the quantitative research data in order to gain rich qualitative feedback on development options and potential use.

The following paper incorporates a robust primary sample of both Business respondents and Residents/ Village Centre Users views about the potential new development.

Executive Summary

Qualitative feedback from the Residents/ Town Centre Users augmented the statistical data with 'Café' and 'Coffee Shops' being cited as uses for commercial space.

Residents Survey Results

The following results are based on the 277 completed Resident/ Town Centre User Surveys. The results are presented as in line with the structure of the survey.

If some commercial space were to become available in the village centre, which TWO of the following options would you like see for the benefit of Bidford-on-Avon? (Please tick two options only)

	%
Office space (non-shared)	2
Office space (shared)	10
Units suitable for Retail e.g. clothes shop	51
Units suitable for Food and Drink Sales and Consumption E.g. Cafe	62
Units for community use e.g. Meeting space	27
Units for Service Providers e.g. Pre School Nursery, Local Authority Services	42
Units suitable for light industry	5

62% of Resident/ Village Centre Users indicated that if some commercial space were to become available in Bidford-on-Avon they would like to see 'Units suitable for Food and Drink Sales and Consumption e.g. Café, with 51% 'Units suitable for Retail e.g. clothes shop. 42% of respondents stated they would like to see 'Units for Service Providers e.g. Pre School Nursery, Local Authority Services.

Please use the space provided to give details on the type of businesses you would like to see attracted to the village centre?

Substantiating the quantitative findings, the key theme to emerge when Residents/ Village Centre Users were asked to give details on the type of businesses they would like to see attracted, 'Café' was the key theme, comments included:

*Please note that all comments are copied verbatim and may include grammatical errors

- ❖ *The village needs a cafe or eatery with parking, alternatively retail unit of a useful size. We have no reasonable sized units in the village to attract a retail type business. If a much needed eatery or cafe type business could be attracted they should be given the opportunity to have a offshoot in the Meadow as an incentive.*
- ❖ *It would be nice for Bidford to have more support from their residents and I feel more retail and cafe shops may encourage this*
- ❖ *It must be independent but affordable. Diverse and a good standard of food offering. There is a lot of room for improvement with the standard of food served at the take away with exception of fish & chips. Lower pricing attracts more custom which attracts footfall. A cafe that is open!! And serves a good brunch (offering veggie options & gluten free etc) and decent coffee. Perhaps*

with mum and baby meets in the daytime to maximise trade. We would love to be able to buy fresh croissants first thing on a Saturday or Sunday!!

- ❖ *Delicatessen Cafe*
- ❖ *Cafes /delicatessens of a high standard such as those found in Stratford and Alcester*
- ❖ *The village is lacking an attractive go to cafe. One that would welcome a variety of customers, including locals, offering good quality coffee and snacks.*
- ❖ *A social space, cafe for example, where families and friends can meet in the day time.*
- ❖ *Good sized cafe for young families, local workers, walkers, cyclists and other visitors.*
- ❖ *The village needs a decent coffee shop/ cafe which would attract both locals and visitors.*
- ❖ *A more contemporary cafe serving a variety of foods/drinks.*
- ❖ *Locally sourced healthy cafe / restaurant*
- ❖ *cafe open for visitors for light lunches etc.*
- ❖ *Cafe and more retail eg clothes or homeware*
- ❖ *Restaurants and cafes*

A sub section of those Residents/ Village Centre Users who wanted to see a 'Café' in Bidford-on-Avon Village Centre stated 'Coffee Shop':

- ❖ *I would love a coffee shop that was open after school to allow me to take my son for a treat at the end of the day and also a place I could meet friends during the week. The bakery has limited space and restrictions on opening times which means we currently either travel to Alcester or to Osco's but would much prefer somewhere we could walk to rather than having to use the car*
- ❖ *I would love to see a coffee shop /farm shop business using locally sourced food a reasonably priced up to date menu somewhere families can walk to sit outside meet up with friends for coffee and buy local produce. A meeting place with a local food theme*
- ❖ *Somewhere for local parents to meet for a coffee with a space for children to play*
- ❖ *A proper coffee shop /upmarket café along the lines of Orange Mabel Tea Rooms in Alcester, open all day to serve breakfast as well lunch and afternoon teas.*

The other key theme to emerge from the qualitative feedback was that Residents/Village Centre Users would like to see 'Retail' attracted to the Village Centre, comments included:

- ❖ *retail unit of a useful size. We have no reasonable sized units in the village to attract a retail type business.*
- ❖ *Retail outlets such as clothing, homewares and furnishings (but not hair and beauty outlets, health facilities e.g. dentists, therapies).*
- ❖ *Quality retail &/or leisure type premise to attract visitors to the village centre.*
- ❖ *retail shops, book shop, haberdashery, green grocer, antique centre*
- ❖ *Specialist non-food retailers e.g. for country sports, cycling, walking, river sports, antiques*
- ❖ *Small retail units for shops such as clothing or handmade crafts, or delicatessen etc.*
- ❖ *Nursery; mother and child facilities. Domestic retail - e.g. food shops, hardware.*
- ❖ *more retail egg clothes or homeware*

Within the 'Retail' theme several comments specifically cited 'Green Grocer', examples include:

- ❖ *Green Grocer*
- ❖ *first choice: green grocer - we have a wonderful butcher and bakery and we get our milk delivered by the milkman but always find we have to go to budgens or one stop for a few bits and pieces but have to do out main shop elsewhere e.g. Stratford or Evesham. I think a green grocer would benefit everyone, helps the local economy and businesses and means people eat fresh and buy local.*

'Clothes Shop' was also mentioned, comments included:

- ❖ *Clothes shop Sports shop /school uniform*
- ❖ *A boutique style clothes shop*
- ❖ *clothes shop, somewhere tourists would want to visit.*
- ❖ *Independent clothes shop*
- ❖ *Cheap shoe, clothes, shop*
- ❖ *Small retail units for shops such as clothing*
- ❖ *Clothes shops/boutiques*

Present:

Paul Freeman – representing Cleeve Prior
Angie Deacon, Penny Taylor – Bidford
Colin Tether – Evesham Town Council
Jack Fryer - Wixford
Alan Green, Liam Maude, Tony Shale – Salford Priors

In Attendance Donna Bowles, Clerk to Salford Priors Parish Council

The meeting began with Tony Shale welcoming everyone, followed by introductions.

Salford Priors have a Working Group who met recently to discuss possible routes. The parish has boundaries with feasible footpaths; there is a route under the bypass which links with Wixford. Harvington could link at Fish & Anchor, Newtown. One possible route would be to go through Cleeve Prior and then cut back across.

Bidford provided details of 4 written walk routes - towards Marlcliff, Barton, the centre of Bidford that links the Bidford Golf Club (which could go to Welford) and the High St using Westholme Rd through to Broom. There are several footpaths which do not allow for cycles at present.

Cllr Green suggested linking up Dorsington although there may be an issue with people not wanting cycles going through. Might be an idea to talk with Heart of England.

Various routes were discussed, as well as involving local businesses. It was suggested to look at the history of the Greenway route and how it was set up. There is a need to change the status of the PROW as no cyclists are allowed on these paths.

Colin mentioned there is already a route from Honeybourne to Evesham and a possible route would be to use the old railway line from Evesham to Redditch. He suggested Harvington and Salford Priors working together.

It was initially thought to set up 5 workstreams to discuss Council 'lobbying', Communications, Strategy and Timeline, Route Development and Funding Streams, however there were not enough people present to split into 5 groups. Consider joining Council Lobbying & Funding into one.

The way forward:

To have a phased approach – the group to meet to look at what the routes could look like. Highlight potential routes and look at how they will work, costs, who owns the land etc. Look at easiest routes first to get the idea off the ground.

To identify where funding could come from. S106 monies/CIL. Warwickshire County Council, Stratford District Council, Worcestershire County Council. Sustrans are a national charity putting cycle routes in all over the country. They could possibly provide someone to come along to a meeting, point the group in the right direction for funding etc

Donna to send out possible days for the first week of July and email County Councillor Mike Brain all information so far. This meeting would be to map out the routes and identify opportunities and issues with each, allowing the group to prioritise or give information to collect information for evaluation at a further meeting.

Once priorities set, work out workstreams to start developing plans and activities.

Meeting finished 8pm
