Cllr Hiscocks proposed the Minutes be accepted as being accurate

RESOLVED that the Minutes be approved and signed by the Chairman.

4. PUBLIC FORUM

i. Barton residents advised Council that they were objecting to planning application 18/00139/FUL. The dwelling in question is attached to their dwelling as they were, originally, one property.

The proposed extension is

- Significant in scale
- Impacts on the light into their kitchen and bedroom (their property is subterranean, therefore the impact of the proposed extension is more significant)
- Size is disproportionate to the existing dwelling

5. TO CONSIDER APPROVAL OF A POLICY THAT WOULD REQUIRE EVERY TREE FELLED TO BE REPLACED BY 2 TREES – NOT NECESSARILY IN THE SAME SITE BUT WITHIN THE PARISH, THE NEW SITE TO BE APPROVED BY THE COUNCIL

After a short discussion as to the enforceability of having such a policy, it was agreed that it would be beneficial for Council to have such a policy even if it were only as a guideline. However, it was accepted that a change in the wording would make it more acceptable and it was proposed that the word “require” be changed to “request”.
RESOLVED to approve the policy subject to replacing require with request.

6. TO CONSIDER THE FOLLOWING SDC CONSULTATIONS

i.“Site Allocations Plan for Stratford-on-Avon District – Intention to Prepare a Local Plan – Regulation 18 Consultation – Revised Scoping and Initial Options.

PM Mins. Feb. 2018

The Clerk advised this was a legal requirement to ensure there are “reserve allocations” to ensure there always is a 5 year land supply. Cllr Knight and the Clerk will be attending a Planning Training at SDC on 15th Feb. where this was an item and they will report back if there is anything of significance.
