4. **PUBLIC FORUM**

Applicant for planning applications in respect of Wisson Hill explained the reasons behind the applications and hoped the Parish Council could support her efforts to return the building to its original status.

5. **TO CONSIDER THE FOLLOWING PLANNING APPLICATIONS**

**i.18/01476/FUL – Mr P Scully, Avon Farm, Welford Road, Barton**

Proposed garage and replacement of existing boundary fence with brick wall to property frontage

Although the application was for a garage, Council expressed its grave concern that the plans appeared to show the great possibility of a dwelling being proposed over the garage with 3 dormer windows clearly evident.

**RESOLVED** to strongly object as the proposed plans appeared to show not only a garage but the strong possibility of a dwelling over it and Barton is considered to be unsustainable for further development.

If a strong condition that clearly prevents this garage structure from becoming a "dwelling" the Parish Council may consider waiving its objection.
