This was read by the Clerk. In it, Cllr Brain advised that he was not standing for elections on May  $6^{th}$  2021 and, therefore, this was a farewell to Council and local community.

Council wished him all the best and wanted to record its appreciation of all the work he had done for Bidford on Avon parish. The Chairman particularly stressed the success of the waiving of the school bus fees for Bidford pupils where Cllr Brain's support was instrumental.

## BIDFORD ON AVON PARISH COUNCIL In the County of Warwickshire

## Item 6) COUNTY COUNCILLOR REPORT

Mike Brain - SORRY TO LEAVE YOU

Sadly this will be my last Report as I have decided to retire After 20 years of being a Councillor at all levels at the next elections, which will be on 6th May, 21. I do this with a very heavy heart as I love my job and community work, which I have done since I was 20, but It's time at my age and with Parkinson's Disease & Fibromyalgia to hang up my boots as the job has become more physically demanding. The Brain works, but the Body doesn't obey!!

I've been really proud, honoured and privileged to represent so many of South Warwickshire's residents, which at times amounted to 16 villages and 9 Parish Councils. My sincere thanks go to all my Parish Clerks, Chairmen, Councillors and residents alike who have supported me and professionally assisted me at all times. Without them my job would have been so much harder.

## A Big Thank You

I wish all my Parish Councils and residents very good health and success for now and into the future. Obviously I have gained a lot of knowledge and experience, which shouldn't be wasted, so if you need any advice you can still give me a call and I would be happy to assist where possible.

Item 5) County Cllr Report April 2021

As a Councillor my service included:-

Parish Councillor 2001 to 2017
District Councillor 2002 to 2019
District Council Chair 2006 to 2007 District Council Cabinet 2007 to 2019
County Councillor 2013 to 06/05/2021

Outside Council Work I will still be active as a School Governor, Trustee Stratford upon Avon KES Grammar School, Local Rotarian and President of The Stratford on Avon Ambulance Association and fundraiser for Parkinson's.

I've used my Councillors Delegated Budget and Councillors Community Grant funds wisely, which as amounted to in excess of £250,000 being spent on Community Projects and Road Improvements since 2013 which were not funded from other budgets, this has included for example: - Community Speed Watch, Defibrillators, Improvements to Village Halls, Play Areas, School Projects, Allotments, Youth Clubs, WiFi Equipment etc.

My highway delegated budget has help fund Safety Bollards at junctions to protect pedestrians and verges, Improved Safer Routes to School in several locations, Improved Road Signs and other Highway furniture including Build-Outs

We have extended speed limits and reduces others from 60mph to 50 & 40 mph, but sadly we still have a speeding problems in our villages. This is a conversation which will continue until there is another way found of slowing speeding vehicles down such as reducing the Speed Limits further or introducing more urbanisation signage , which sadly has limited success and little enforcement. One successful solution has been the installation of build-outs (chicanes) in one of my villages.

Obviously we ( PC's , Officers & Residents )achieved much more by working together, which is the key to success . I especially want to convey a huge thanks to All Parish Clerks who have made my job a lot easier by being very efficient .

I wish my successor whoever that maybe good luck and success in their new role and for the future ahead of them. If I can offer any advice it would be 'Politics sometimes Gets in the Way of Good Governance 'Community work comes first.

Best Wishes & Good Luck

Presentation was made by Cllr Taylor who advised this report was for information and to ensure the Parish Council was kept updated.

# Item 9ii) REPORT & RESOLUTIONS FROM THE FACILITIES WORKING GROUP

Meeting took place virtually on Monday 19th April 2021 @ 2.00pm

**Attendants:** Cllrs Hiscocks (Chairman); Deacon, Knight, Keeley and Williams **In attendance** Mrs E Uggerløse

#### 1. BIG MEADOW

- Layout:
  - i. Logs available from Ragley Hall Cost £840 for 12
  - ii. Small fencing Cost £300
  - iii. Gate to the west of the seating arrangements
    Proposal to move this to form part of the fence still allowing the
    required gap for the Heart of England Way

## Recommendation

 Purchase and installation of logs – they are more substantial and also provide seating. They will be fixed to the ground. They will be placed slightly behind the picnic tables and seats for safety.

**RESOLVED** to approve the purchase and installation of logs

**ii.** To move the gate 90 degrees so that it forms part of the fence and to place a log in the space it leaves. The gate is to provide access for the mower and other maintenance equipment.

**RESOLVED** to approve the repositioning of the gate

Proposed new gate at the entrance to the track leading to the Sports
Pavilion to prevent vehicles accessing it and parking along the grass.
Also, sign stating "ACCESS FOR BIDFORD SPORTS ASSOCIATION ONLY"
Recommendation to approve purchase and installation of this gate as well as the sign.

Following a short discussion regarding disabled access, it was **RESOLVED** to postpone the decision and seek either alternatives or ways in which disabled access can be ensured

• To consider the request that the path be tarmacked (resident request) This would be contrary to the lease as it is a "permanent structure" not permitted under same. It would also result in less drainage of this flood plain. Concern was also raised that it could lead to a "track race" which could endanger members of the public.

**Recommendation** that when the hard core is laid every year at the start of the season it is rolled to provide a more even surface.

**RESOLVED** to maintain the current path but ensure it is well rolled at the start of each season

#### 2. DUGDALE SPORTS FIELD -

Access from the Bovis Estate based on information received
Bovis has confirmed the strip of land belongs to Vistry Ltd, part of Bovis.
It has no objection to the access gate being installed as long as it is
understood it is the property of, and is to be maintained by, the Parish
Council.

If a gate is to be installed then it must lead pedestrians over the managed land and onto the road which will be adopted by the highway authority and not onto the private drive (opposite plots 67-72 and 73-81).

On this basis the **Recommendation,** by a vote of 3 in favour and 2 against to allow the access gate on the following conditions:

- i. It is locked 1 hour before and up to 1 hour after any official sport activity
- ii. It is opened in the morning and locked in the evening proposal is the same hours as the cemetery gates which are from dawn to dusk

iii. Any abuse of this access may result in the gate being permanently closed

It was agreed that members of this Facility WG will have a free vote at the Parish Council meeting.

A discussion took place during which it was pointed out that, even if the Parish Council installed an access gate to the sports field, as the landscape currently stands, it would not be safe as:

- The kerb from the road is very high: this would have to become a dropped kerb with the appropriate surface for the visually impaired
- The access to the sports field is rough grass
- There is a fence acting as a barrier

All the above would require the consent of Bovis/Vistry to change and make kit accessible and this may require an amendment to the Landscape Planning Permission

**RESOLVED** the fence to be fitted with a removable panel in the designated site for the gate, which ios opposite the road as advised by Bovis/Vistry.

In the event Bovis/Vistry consent to the required change and, if necessary, the planning amendment is granted, the panel can be replaced by a lockable gate and the conditions, as per the recommendation, will apply.

- Quotation for replacement fence
  - i. Like for like Cost £8.300
  - ii. Metal with Bow Top Cost £24,000

**Recommendation** unanimous vote in favour to the metal fencing as it is both more durable and more attractive.

**RESOLVED** to purchase and install the metal fence

## 3. JACKSONS MEADOW PLAY AREA

 Quotation from NOMOW to replace the grassed area over the tunnel which gets washed off Cost £1500

**Recommendation** to approve **RESOLVED** to approve purchase and installation

## 4. MILLERS BANK, BROOM

Millers Bank

Consider the purchase and installation of a life belt by the river bank

This issue was raised following the recent pollarding
of the trees along the riverbank. Contractors have advised that the
brambles will regrow quickly and, on this basis the

Recommendation by a unanimous vote is not to purchase a life belt and

**Recommendation** by a unanimous vote is not to purchase a life belt and allow the brambles and nettles to regrow.

**RESOLVED** to approve the recommendation and allow brambles to regrow

#### 5. ALTERNATIVE PARKING IN MONIE MEADOW UNTIL MAY 17TH

The Working Group considered this issue and unanimously agreed the **Recommendation** not to make this available: the reason why the Big Meadow parking facilities remain closed until 17<sup>th</sup> May is to follow the Government Roadmap and not to facilitate meeting of groups of more than 6 people or 2 households – the same applies to Monie Meadow.

Residents and visitors can park on the Winter Car Park or in either of the 2 car parks in the village with easy access to the Big Meadow.

The Clerk advised that circumstances had superseded this item so no resolution was required.
