Alcester Police SNTs. Latest Weekly Report. Sunday 11th February 2024

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Hembry who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. Alcester SNT currently consists of 2 Police officers and 5 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity, or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

Incidents of note from the last two weeks: -

Reporting suspicious activity and crime

We encourage everyone seeing suspicious activity, crimes and anti-social behaviour to call us straight away using the 101 system or in an emergency 999. The telephone systems may be busy depending on the public demand but getting the information to us in real time is a significant help and can result in more positive results.

We know that sometimes information is posted onto social media in the first instance,

but we really would like to know first.

Once reported, warnings on social media can then be a benefit and may result in us receiving further information and intelligence.

Salford Priors Community Engagement

Alcester Police South SNT will be teaming up with Rural Crime Prevention Team on 22nd February to give you advice on staying safe and keeping your properties secure. There will be various goodies available such as window and door alarms, shed/garage alarms and much more.

We will be at Salford Priors Memorial Hall between 1000-1200hrs.

Look forward to seeing you at the warm hub.
