

## **SWLP Preferred Options Consultation - How to respond**

The South Warwickshire Local Plan (SWLP) Preferred Options consultation is a long document, and as such you do not have to read, or even respond, to all of it if you do not wish to. You may wish to focus on the topics you have a particular interest in.

### Online

The easiest ways to respond is online through our consultation portal. Within this portal you can more easily navigate the document to find and respond to the topics that interest you. You do not have to respond to all questions when commenting online.

You can access the online portal at the following webpage:

[www.southwarwickshire.org.uk/swlp/preferred-options](http://www.southwarwickshire.org.uk/swlp/preferred-options)

or you can scan the QR code:

### Email

If you are unable to comment using the consultation portal, you can email us your responses. When emailing your responses please use the comment form, (which can be found on the website), or clearly state which question(s) you are responding to. A few copies of the comment form have been left with this physical copy. If you do not identify which question you are responding to it will be very difficult for us to take your response into account.

You can submit your response to **either:**

[swlp@stratford-dc.gov.uk](mailto:swlp@stratford-dc.gov.uk) or [swlp@warwickdc.gov.uk](mailto:swlp@warwickdc.gov.uk)

### Post

If you do not have access to a computer you can post your responses. When posting your responses please **clearly state which question(s) you are responding to, and please use the comment form where possible.** A few copies of the comment form have been left with this physical copy, otherwise you can find the comment form on our website. If you do not identify which question you are responding to it will be very difficult for us to take your response into account.
